

IBS INTEGRATION

CASH FLOW IS KING.

Get paid for your accounts receivable faster than ever by sending your invoices directly to Interstate Billing Service with the click of a button.

THE IBS INTEGRATION ALLOWS YOUR SHOP TO

- ✓ Send invoices to IBS right inside Fullbay
- ✓ Instantly check whether a customer has credit with IBS before starting a repair

WHAT IS THE IMPACT TO THE SHOP?

- ✓ Shift liability of collecting invoices to IBS
- ✓ Get invoices paid instantly instead of relying on customer payment terms

HOW DOES THE INTEGRATION WORK?

- ✓ During an estimate, check whether the customer has credit with IBS
- ✓ Once the repair is complete, send the invoice to IBS
- ✓ IBS sends you the value of the invoice and peace of mind

EASE OF IMPLEMENTATION

STEP 1 — Turn on Fullbay Connect

STEP 2 — If you aren't already a user of IBS, contact them to get a unique code

The integrations page in the Fullbay app will help you get started

STEP 3 — Decide which customers you want to opt-in

Add your unique IBS code into those customers' configuration pages

IBS isn't about factoring—it's about offering your customers more payment methods while avoiding the risk of extending credit. You get paid faster and IBS handles the rest.

REBECCA DE PAULA | VP SALES MANAGER @ IBS

Fullbay is a **heavy-duty repair shop management platform** that enables shops to receive repair requests, invoice customers, and everything in-between. With Fullbay, owners and employees get into the shop, get their work done, and get back to their friends and families.
